Annual Report

2022

Fellow Shareholders,

I am pleased to once again report Champlain Bank Corporation delivered solid financial results. We recognized record net income of \$4.97 million at year end 2022, compared to \$4.41 million in 2021. Return on average assets and return on average equity were 1.07% and 16.78% for 2022 as compared to 1.02% and 11.63% for 2021, respectively. This was achieved while still contributing another \$130,000 to our charitable fund. We have now contributed almost \$400,000 to the fund over the past three years, significantly increasing its assets and, in turn, its impact in our communities.

Total assets of \$461 million in 2022 remained steady compared to \$456 million in 2021, a slight 1.05% increase. Net loans increased 7.1% to \$297 million compared to \$277 million in 2021. The loan portfolios remain strong, and the reserve for loan loss to loans was 1.63% at year end. Deposits also grew modestly at .6% from \$401 million in 2021 to \$403 million in 2022, consisting of retail, commercial, and municipal banking relationships.

Community banking is about people, and we are committed to meeting our customer needs. We continue to invest in upgrades to our technology and physical locations. These include enhancements to mobile banking offerings, payment systems, ATMs and in person transactions. We are confident these new products and services will provide the solutions that our clients want.

As I look forward to 2023, there will be challenges related to margin compression, and higher costs. I am confident that we have the right people and management team to handle this changing environment. Managing interest rate risk is fundamental to the banking business. We actively manage our balance sheet in anticipation of changing economic cycles. We remain focused on maintaining the health of the Bank. Our diverse client base, strong capital position, and disciplined credit culture continues to serve us well.

We remain an essential partner in the communities we serve. I am grateful for the trust and loyalty that our clients place in us. On behalf of the entire team, thank you.

Should you have any questions on our audited financial statements, which can be found on our website at www.champlainbank.com, please feel free to call our CEO Steven Cacchio at (518) 963-4201 ext. 1111 or our CFO, Sarah Schmidt at (518) 963-4201 ext. 1158. Our annual stockholders meeting will be held at 9:30 am Friday, June 23, 2023, at the Executive Offices of our Willsboro location.

Sincerely,

Peter S. Paine, Jr. Chairman
